Interests and Hobbies

Design is indeed one of the things that I love to see (and craft) everyday.  
I'm a proud Snowboarder and an Indie-lover, but my first passion (and hobby) is to develop web applications: I really love to make great wonderful apps also on my free time!

I really like to read books about science!

I'm a geek, a nerd and also a gamer since my teenage.

That's all!
